## SKILLED SERVICES

Buck's Traction.....	SN-100
Cast Care.....	SN-200
Catheterization—Care of Indwelling Urinary Catheter Procedure .....	SN-300
Catheterization—Insertion of Indwelling Urinary Catheter Procedure .....	SN-301
Catheterization—Removal of Indwelling Urinary Catheter Procedure.....	SN-302
Catheterization—Straight Catheter Procedure .....	SN-303
Diabetic Teaching .....	SN-400
End Stage Disease Services .....	SN-500
Home Nursing Assessment Newborn.....	SN-600
Home Nursing of Post-Partum Mother and Infant .....	SN-601
Hospital Evaluation and Discharge Planning .....	SN-700
Nursing Bag Management.....	SN-800
Nursing Supervisory Visit .....	SN-900
pH Probe Study—Placement and Monitoring .....	SN-1000
Chest Physiotherapy and Postural Drainage Procedure .....	SN-1100
Suctioning—Bulb .....	SN-1600
Suctioning—Nasopharyngeal .....	SN-1601
Suctioning—Tracheal .....	see SN-1802
Thermoregulation .....	SN-1700
Tracheostomy—Cleaning of Suction Catheters and Connecting Tubing ....	SN-1800
Tracheostomy Stoma Site Care .....	SN-1801
Tracheostomy Suctioning .....	SN-1802
Tracheostomy Tie Change .....	SN-1803
Tracheostomy Tube Change .....	SN-1804
Tracheostomy Transition to Home .....	SN-1805
Urine Specific Gravity Measurement .....	SN-1900
Wound Care—Assessment, Staging .....	SN-2000
Wound Care—Dressing Changes .....	SN-2001

## LAB PROCEDURES

---

Central Line Catheter Blood Draw .....	LP-100
Central Line Site and Line Culture .....	see IV-108
Dorsal Venipuncture Procedure .....	LP-101
Glucose Testing—Using Glucometer .....	LP-102
Glucose Testing—Using Test Strips .....	LP-103
Heel Stick Procedure .....	LP-104
Implanted VAD Blood Draw .....	LP-105
Implanted VAD Site and Line Culture .....	see IV-307
Peripheral Blood Draw .....	LP-106
PICC Line Blood Draw .....	LP-107
PICC Line Site and Line Culture .....	see IV-609
Sputum Culture Collection .....	LP-108
Stool Testing—Culture & Sensitivity, Occult Blood, Ova & Parasites, pH, Reducing Substance .....	LP-109
Tracheal Gastric pH .....	LP-110
Tracheal Aspirate Collection .....	LP-111
Urine Testing .....	LP-112

## MEDICATION ADMINISTRATION

---

Eye Drop/Ointment Administration .....	MA-100
Inhaled Medication—Metered Dose Inhaler (MDI) .....	MA-200
Intramuscular Medication Administration .....	MA-300
– Ceredase Injection (Alglucerase) .....	MA-301
– Synagis Administration .....	MA-302
IV Infusion .....	see IV-101, 102, 300, 302, 402, 601, 602
– Albumin .....	MA-400
– Amphotericin B .....	MA-401
– Antibiotics (PIV) and (VAD) using a Syringe Pump .....	MA-402
– ARA-C .....	MA-403
– Chemotherapy Through VAD .....	MA-404
– Deferoxamine .....	MA-405
– Factor VIII .....	MA-406
– Ganciclovir (DHPG) .....	MA-407
– IV Flush Guidelines .....	MA-408
– IVIG .....	MA-409

**MEDICATION ADMINISTRATION (Cont.)**

---

- TPN/IL, Hydration .....see IV-101, 102, 300, 302

Nasal Medication Administration .....MA-500

- DDAVP Administration .....MA-501

Oral Medication Administration .....MA-600

- Digoxin Administration .....MA-601

Outer Ear Medication Administration .....MA-700

Rectal Medication Administration .....MA-800

Silver Nitrate Administration .....MA-900

Subcutaneous Medication .....MA-1000

- Epogen (Epoetin Alfa) .....MA-1001

- GCSF (Neupogen) (Filgrastim) .....MA-1002

- Growth Hormone .....MA-1003

- Insulin Administration—Using Soft Pocket Technique .....MA-1004

Topical Emla Cream Administration .....MA-1100

Wydase Administration .....MA-1200
